

THE ELEVATOR SHOW DUBAI

September 12 – 14, 2022 | Dubai | UAE

Press Release

May 14, 2020

The Premiere of "The Elevator Show Dubai" Rescheduled to September 12 - 14, 2022

Dubai – The Elevator Show (TES) Dubai has been rescheduled to September 12-14, 2022, due to the exceptional circumstances regarding the COVID-19 pandemic and its effect on the international trade fair scene. This decision follows intense consultations between the organizers of the event, AFAG Messen und Ausstellungen GmbH and ELEVATOR WORLD, and the Dubai World Trade Centre, where the event will take place.

Hundreds of trade fairs planned for 2020 were either cancelled or postponed until 2021, causing international trade fair venues to be fully booked next year. Rescheduling the trade fair was also necessary in view of the continuing fight against COVID-19, which includes ongoing travel restrictions and tighter social-distancing measures.

In order to be able to offer TES, a new, promising platform for the elevator industry in this region, the best possible alternative was to reschedule the premiere for 2022.

As the first international industry event in the region, TES now offers a perfect opportunity of doing business and networking with global manufacturers, suppliers, installers, planners, developers, architects, engineers and investors.
